4. Concussion Impact Testing. Initial Impact test will need to be completed prior to the start of try-outs. Dates for the testing will be determined at a later time.

Participation in athletics can result in serious injury, even when measures have been taken to ensure safety. In the event of an injury the school will provide first aid, but all other treatment is the responsibility of the parent/guardian. Participating on an athletic team/club at Rising Tide is not required, and students do so on a voluntary basis with the permission of their parent(s) or guardian(s).

Families are required to pay a user fee for each season. If a student is removed from the team/club before the conclusion of the season for any reason, Rising Tide has the right to keep the entire user fee.

Rising Tide will use buses and/or parent carpools to transport students to and from practices and games. By signing this waiver you are permitting your child to ride in a private vehicle driven by another student's parent or guardian as well as a bus chartered by the school.

All uniforms are property of Rising Tide and should be returned to the school at the end of the season or the family will be charged for the replacement cost.

A student may be removed from the team at any point in the season if the grade-level team, coach, and/or AD determines it is necessary. Students can be dismissed from a team/club for both academic and non-academic reasons.

A student will not be permitted to participate in any activities until s/he has a physical form on file with the school which has been completed within 13 months of the tryout date. A completed concussion awareness form, pre-participation head injury/concussion reporting form, and user fee must also be submitted before a student is allowed to participate in the tryout.
