

RISING TIDE
CHARTER PUBLIC SCHOOL

May 15, 2017

Dear Junior Parents/Guardians,

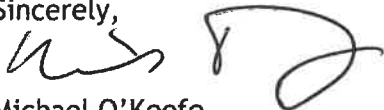

Once again, we have planned to begin the senior year with an overnight trip for students to visit Mount Washington and stay at the Highland Center Lodge at Crawford Notch in New Hampshire. Students will depart the Upper School building at 7:00 a.m. on Thursday, September 7 and travel by bus to the White Mountains in New Hampshire. The group is expected to return to the Upper School building around 5:00 p.m. on Friday, September 8.

We are excited about this growing senior trip tradition, a beginning of year trip where the group of seniors can step back at the start of the senior fall semester to be with one another and explore the grade 12 guiding question, "What is my place in the world?" Over the course of 24 hours, students will travel up Mount Washington on the Cog Railway, participate in navigational skills workshops, and utilize new skills on surrounding trails.

The cost for the trip, which includes bus transportation, the Cog Railway, dinner, lodging, breakfast, lunch, and programming from Appalachian Mountain Club staff, is \$95 for each student; the school is covering approximately half of the cost of the entire trip for all students. We have included this cost with the other beginning of year expenses also due on June 9th other beginning-of-year student fees. Please return the following items by Friday, June 9:

- The permission slip portion of this letter
- Payment for trip; checks should be payable to *Rising Tide Charter Public School*
- The Rising Tide Trip Policies Agreement Form
- The Rising Tide Student Medical Form
- The following three forms from the Appalachian Mountain Club (AMC) packet:
 - AMC Health Questionnaire
 - AMC Assumption of Risk Agreement
 - AMC Photo & Media Release form

Sincerely,

Michael O'Keefe
Upper School Principal

Dear Parent/Guardian,

Welcome to *A Mountain Classroom*, the Appalachian Mountain Club's residential school program. In operation since 1990, we currently serve over 3,500 students per year with our hands-on, environmental education curriculum. Our programs are based out of AMC facilities in New Hampshire, northern Maine, western Massachusetts and New Jersey. All are in spectacular locations that provide plentiful opportunities to learn and explore in an outdoor setting.

Our experienced instructors lead hikes, lessons, and activities designed to engage students in the natural world, increase environmental literacy, facilitate personal growth and foster a sense of community. Your child's teacher will choose curriculum themes to compliment what students are learning in the classroom. These can include watershed studies, forest ecology, geology, climate and meteorology, and map and compass. Instructors are certified in first aid and trained to manage their groups in wilderness situations.

Your child will be hiking and/or backpacking on the trip. This is a physically demanding but incredibly rewarding experience, and our instructors are committed to helping all students succeed. Our lessons are geared to the outdoors regardless of the weather, which can be unpredictable at times. We have included an equipment list of required items for your child to bring. Many can be borrowed from friends or family members, or the AMC can provide some items such as backpacks or sleeping bags (see the equipment list for details). If your child will need equipment, please discuss this with the teacher in charge of the trip and they will contact us. Sturdy shoes/hiking boots may well be the most important item on the clothing list. Students will be hiking on rocky and potentially wet or snowy trails, which may ascend or descend steeply. Winter weather conditions can sometimes occur in the spring and fall in the mountains surrounding our northern most program sites. Your child's teacher should explain the trip itinerary and site selection for you. Please read below for descriptions of our facilities.

Our roadside lodges, **Pinkham Notch Visitor Center** (Route 16, Gorham, NH), **Highland Center** (Rt. 302, Twin Mountain, NH), **Cardigan Lodge** (Shem Valley Road, Alexandria, NH), **Noble View Outdoor Center** (S. Quarter Rd, Russell, MA) and **Mohican Outdoor Center** (Camp Road, Blairstown, NJ) have heated bunkrooms and/or dormitories with bathrooms with showers located nearby. Our Maine Woods facilities (**Little Lyford** and **Gorman Chairback**) as well as **Harriman Outdoor Center** (Lakewell Pkwy, Stony Point, NY) have small cabins and a main lodge; bathrooms and showers are nearby. At any of these facilities, meals are served family style and lunches may be eaten on the trail. If your child is staying at one of these facilities only, he/she will be going for day hikes.

The AMC Huts are remote facilities located throughout the White Mountains between 1.5 miles to 4.5 miles from the road, depending on the hut. They are rustic, have no electricity and, in cold seasons, no running water (huts do have indoor composting toilets). The sleeping areas are unheated bunkrooms with pillows provided on each bed. A sleeping bag (20 degree or below) is required for some of these trips depending on the season (see clothing list). In many cases, students will be carrying their own food (provided by the AMC) to the hut and will, under supervision, help prepare the food for the group. This is a backpacking experience.

You have received Medical/Release, Acknowledgment of Risk, and Photo/Media Release forms. **It is absolutely necessary for you to complete these forms for your child to attend.** Please return them to the organizing teacher as soon as possible. Although injuries are rare, there is an inherent risk to outdoor activities. Should a medical emergency arise we will need the information on these forms. Also, please be advised that your child will be away from immediate hospital access and wilderness evacuations may take hours. If you have any questions about the equipment list or forms, direct them to your organizing teacher who will forward them to us if necessary.

The AMC's Essential Eligibility Criteria (EEC) is a list of the physical and cognitive requirements of activities sponsored by the AMC. The AMC's EEC are intended to be a resource for anyone considering participating in an AMC-sponsored activity, and are not intended to be exclusionary. *A Mountain Classroom* will happily work with your classroom teacher to accommodate all students to the best of our ability. For more information regarding the AMC's EEC, please follow the link below.

ACKNOWLEDGMENT AND ASSUMPTION OF RISKS & RELEASE AND INDEMNITY AGREEMENT**

INTRODUCTION

PLEASE READ THIS ENTIRE TWO-PAGE DOCUMENT (hereafter 'Document') **CAREFULLY BEFORE SIGNING**. All participants must sign this Document. For participants under 18 yrs. of age (hereafter sometimes 'minor' or 'child'), one or both parent/s or guardian/s (hereafter collectively 'parent/s') must also sign. In consideration of the services of the Appalachian Mountain Club, Inc., a charitable, not-for-profit corporation, organized and existing under the laws of Massachusetts, and its chapters, including all officers, directors, employees, representatives, agents, independent contractors, volunteers (including leaders and co-leaders), members and all other persons or entities associated with it (collectively referred to in this Document as 'AMC'), I (participant and parent/s of a minor participant), **acknowledge and agree as follows:**

Appalachian Mountain Club contracts with individuals or organizations that are independent contractors (not employees or agents of Appalachian Mountain Club) to conduct some of the activities participants may engage in. Although the Appalachian Mountain Club has made efforts to locate responsible contractors, it does not supervise or control these contractors and is not responsible for their conduct. Participant (and parent/s) acknowledge that they may independently investigate and assess these organizations and activities, if they choose to do so. **Further, Appalachian Mountain Club uses volunteers to assist with, and sometimes lead activities, workshops or programs. These individuals are not paid professional guides or leaders. In all activities, all participants share in the responsibility for their own safety and the safety of the group.**

ACKNOWLEDGMENT & ASSUMPTION OF RISKS

AMC instructional, educational and/or adventure activities (which may be scheduled or unscheduled, supervised or unsupervised and/or occur during free time) include, but are not limited to hiking, backpacking, camping, biking, skiing, snowboarding, snowshoeing, high and low ropes courses, trail work, maintenance of facilities, mountaineering, rock and ice climbing, canoeing, kayaking, sailing, swimming, environmental education, wilderness emergency medical training, first aid and rescue, participation in volunteer service projects, use of AMC huts or other facilities and transportation or travel to and from activities (referred to in this Document as 'activities' or 'these activities'). **These activities include inherent and other risks, hazards and dangers** (referred to in this Document as 'risks') **that can cause or lead to injury, damage, death or other loss to participant or others. The following includes some, but not all of those risks:**

Risks present in an outdoor, mountainous or wilderness environment on land or water, both on and off trail. Travel can be subject to storms, strong winds, avalanches, currents, waves, whitewater, lightning, rapidly moving rivers or other water bodies, difficult stream crossings, snow or ice, extremely hot, humid or cold weather or water, steep terrain, falling rock, stinging or disease carrying animals or insects, wild animals and other natural or human-made hazards and dangers. Hazards may not be marked and weather is unpredictable year-round.

Risks in decision making, including, without limitation, the risk that AMC may misjudge a participant's capabilities, health or fitness level, or misjudge some aspect of instruction, medical treatment, weather, terrain, water level, or route location.

Personal health and participation risks. The risk that a participant's mental, physical or emotional condition (disclosed or undisclosed, known or unknown) combined with participation in these activities could result in injury, damage, death or other loss.

The risk that equipment used in an activity may be misused, or may break, fail or malfunction.

AMC activities may take place in remote places, several hours or days from any medical facility, causing potential delays or difficulties with communication, transportation, evacuation and medical care.

Risks connected with meals and/or cooking and camping chores. Meals may include exposure to food allergens. Risks also include gas explosion, scalding or other burns associated with cooking over a gas stove or open fire, and water contamination from natural water sources. All water may be contaminated and should be disinfected, filtered or boiled before use.

Risks associated with AMC facilities and premises, including boulders, ruts, slippery walkways, ponds or other water sources, uneven ground or other conditions.

Risks associated with transportation. Travel can be on foot or by vehicle, bicycle, boat or other means and can be over rough and unpredictable terrain or via oceans or rivers, with wind, rain, or other adverse weather conditions.

Volunteer community service. Risks associated with activities such as (but not limited to) building, digging and trail maintenance, painting, construction and clean-up projects. Projects can include the use of tools and equipment (i.e. drills, saws, power tools) that can cause injury resulting from use, misuse or malfunction.

Risks regarding conduct, including the potential that the participant, or other participants or third parties (e.g. general public, rescue squad, medical facility) may act carelessly or recklessly.

Participants may have limited, unsupervised time during, before or after the start of an AMC program. This may include periods of free time, or periods of time alone while engaged in backcountry travel. **During both supervised and unsupervised activities, all participants share in the responsibility for their own safety and the safety of the group.**

Other risks that are generally associated with instructional, educational and/or adventure activities.

These and other risks may result in participants falling, being struck, colliding with objects or people, experiencing vehicle or boat collision or capsizing, drowning, reacting to weather conditions or increased exertion, suffering gastro-intestinal complications or allergic reactions, becoming lost or disoriented, or experiencing other problems. These and other circumstances may cause hyperthermia, hypothermia, frostbite, dehydration, burns, heart or lung complications, broken bones, concussions, paralysis, mental or emotional trauma, or other injury, damage, death or loss.

2/23/10 RMT

I (participant and parent/s of a minor participant) agree:

- AMC cannot assure participant's safety or eliminate any of these risks.

Participant is voluntarily participating with knowledge of the risks. Therefore, participant (and parent/s of minors) assume and accept full responsibility for the inherent and other risks (both known and unknown) of these activities, and for any injury, damage, death or other loss suffered by participant (and parent/s of minors), resulting from those risks and/or resulting from participant's negligence or other misconduct.

RELEASE AND INDEMNITY AGREEMENT

Please read carefully. This Release and Indemnity agreement contains a surrender of certain legal rights. I (adult participant, or parent/s for themselves and for and on behalf of their participating minor child) agree as follows:

- (1) **to release and agree not to sue AMC**, with respect to any and all claims, liabilities, suits or expenses (including attorneys' fees and costs) (hereafter collectively 'claim' or 'claim/s') for any injury, damage, death or other loss in any way connected with my/my child's enrollment or participation in these activities, or use of AMC equipment, facilities or premises. **I understand I agree here to waive all claim/s I or my child may have against AMC, and agree that neither I, my child, or anyone acting on my or my child's behalf, will make a claim against AMC, as a result of any injury, damage, death or other loss suffered by me or my child;**
- (2) **to defend and indemnify** ('indemnify' meaning protect by reimbursement or payment) **AMC** with respect to any and all claim/s brought by or on behalf of me, my child or a family member for any injury, damage, death or other loss in any way connected with my/my child's enrollment or participation in these activities or use of AMC equipment, facilities or premises.

This Release and Indemnity Agreement includes claim/s resulting from AMC's negligence (but not its gross negligence or intentional or reckless misconduct), and includes claim/s for personal injury or wrongful death (including claim/s related to emergency or medical response, assessment or treatment), property damage, breach of contract or any other claim.

CONCLUSION

I (participant and parent/s of a minor participant) agree that the substantive laws of Massachusetts govern this Document, any dispute I have with AMC and all other aspects of my relationship with AMC, and that any mediation, suit, or other proceeding must be filed or entered into only in Massachusetts.

AMC reserves the right to remove any participant from the program who staff or leaders believe, in their discretion, presents a safety concern or medical risk, is disruptive, or acts in any manner detrimental to the program. If participant is dismissed or departs for any reason, participant (and his/her family) are responsible for all costs of early departure whether for medical reasons, dismissal, personal emergencies or otherwise. These costs include, but are not limited to medical evacuation and costs, plane, train or taxi fare, accommodations, and costs and compensation for staff accompanying participant.

This Document is intended to be interpreted and enforced to the fullest extent allowed by law. Any portion of this Document deemed unlawful or unenforceable shall not affect the remaining provisions, and those remaining provisions shall continue in full force and effect.

Participant and parent/s of a minor participant agree: I have carefully read, understand and voluntarily sign this two-page Document and acknowledge that it shall be effective and binding upon me, my minor children and other family members, and my heirs, executors, representatives and estate. **One or both parent/s must sign below for any participating minor (those under 18 years of age).**
