

If you have received a Notice of Direct Certification – FREE from the school district for free meals, do not complete an application. If you have received a Notice of Direct Certification – REDUCED PRICE from the school district for reduced price meals, you may apply. DO let the school know if any children in the household are not listed on the Notice of Direct Certification – FREE letter you received.

## How To Apply for Free and Reduced Price School Meals

Please use these instructions to help you fill out the application for free and reduced price school meals. You only need to submit one application per household, **even if your children attend more than one school in the [Insert School District].**

The application must be filled out completely to determine the eligibility of your child(ren) for free or reduced price school meals.

Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact [insert school/school district contact here; phone and email preferred].

**Please use a pen (not a pencil) when filling out the application and do your best to print clearly.**

### Step 1: List ALL children, infants, and students up to and including grade 12

Tell us how many infants/toddlers, children not in school, and elementary/middle/high school students live in your household. They do NOT have to be related to you to be a part of your household.

**Who should I list here?** When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a formal foster arrangement through a court or state/local agency, or qualify as homeless, migrant, or runaway youth;
- Students attending (regardless of age) [school/school system here].

<p><b>A) List each child's name.</b> Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper (or a second application if completing electronically) with all required information for the additional children. This also applies to adults in Step 3. "MI" is short for middle initial. Print the first letter of each child's middle name in the box.</p>	<p><b>B) Is the child a student?</b> If "Yes," write the grade level of the student in the "Grade" column to the right.</p>	<p><b>C) Do you have any foster children?</b> If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing <b>Step 1</b>, go to <b>Step 4</b>. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to Step 3. Note: Adopted children are not considered foster children. A foster child is a minor child who has been taken into state custody and placed with a state-licensed adult who cares for the child in place of their parent or guardian.</p>	<p><b>D) Are any children homeless, migrant, or runaway?</b> If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and <u>complete all steps of the application</u>. Homeless, Migrant, Runaway <u>status must be confirmed</u> with the appropriate program staff. If the school district cannot confirm your student's homeless, migrant, or runaway status, then the school district will contact you to complete an income-based application. You may choose to provide income information now in order to prevent the school district from potentially needing to contact you later.</p>

## Step 2: Do any household members currently participate in SNAP, TANF, or FDDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) or [Insert State SNAP here].
- Temporary Assistance for Needy Families (TANF) or [Insert State TANF here].
- The Food Distribution Program on Indian Reservations (FDDPIR).

A) If no one in your household participates in any of the above listed programs:

- Check "No" in Step 2 and go to Step 3.

B) If anyone in your household participates in any of the above listed programs:

- Write the agency ID number for SNAP, TANF, or FDDPIR. You only need to provide one number. If you participate in one of these programs and do not know your agency ID number, contact: [Insert State/local agency contacts here].
- Go to Step 4.

## Step 3: List ALL household members and income for each member

### How do I report my income?

- Use the lists titled "**Sources of Income**" & "**Examples of Income for Children**," on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
  - Gross income is the total income received **before** taxes and deductions.
  - Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write "0" or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

### 3.A. Report income earned by adults

#### Who should I list here?

- When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT include:**
  - People who live with you but are not supported by your household's income AND do not contribute income to your household.
  - Infants, children and students already listed in Step 1.

## Step 3: List ALL household members and income for each member

### 1) List adult household members' names.

Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." Include college students, unless they are declared independently on taxes (all college students are considered adults). Do not list any household members you listed in Step 1.

### 2) List earnings from work.

List all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income. Net income is your income after taxes and deductions have been subtracted.

- **What if I have multiple jobs?** List each job separately by entering your name and income from each job on a new line. Add an additional sheet of paper if necessary.
- **What if I am self-employed?** List income from your business as a net amount. This net amount is calculated by subtracting the total operating expenses of your business from its gross receipts (revenue). Gross receipts or revenue are all the income earned from the sale of any products or services offered.

If a child listed in **Step 1** has income, follow the instructions in **Step 3, Part B.**

### 3) List income from public assistance/child support/alimony.

List all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.

### 4) List income from pensions/retirement/all other income.

List all income that applies in the "Pensions/Retirement/All Other Income" field on the application.

- **What if I receive income from multiple sources in this category?** List each source separately by entering your name and income from each source on a new line. Add an additional sheet of paper if necessary.

### 5) List total household size.

Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number **MUST** be equal to the number of household members listed in **Step 1** and **Step 3**. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.

### 6) Provide the last four digits of your Social Security Number.

An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no Social Security Number."

## 3.B List income earned by children

### List all income earned or received by children.

List the combined gross income for ALL children listed in **Step 1** in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household.

- **What is Child Income?** Child income is money received from outside your household that is paid **DIRECTLY** to your children. Many households do not have any child income.

## Step 4: Contact information and adult signature

*All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the statements on the back of the application.*

<p><b>A) Provide your contact information.</b> Write your current mailing address in the fields provided, if this information is available. If you have no permanent address, that is okay. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.</p>	<p><b>B) Print and sign your name and write today's date.</b> Print the name of the adult signing the application and that person signs in the box "Signature of adult."</p>	<p><b>C) Mail completed application to:</b>            Insert            School/District            address here</p>

### Optional

**Share children's racial and ethnic identities (optional).** On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced price school meals. This information is requested solely for the purpose of determining the State's compliance with Federal civil rights laws, and your response will not affect consideration of your application, and may be protected by the Privacy Act. By providing this information, you will assist us in assuring that this program is administered in a nondiscriminatory manner.

**Please return the application directly to your child's SCHOOL. DO NOT mail, fax, or email completed applications or questions about applications to the USDA Office of the Assistant Secretary for Civil Rights or your child's eligibility for free or reduced-price meals will be delayed.**

HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY?

Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call or e-mail **Rising Tide Charter Public School, Michael O'Keefe, [mokeefe@risingtide.org](mailto:mokeefe@risingtide.org)**.

I GET WIC. CAN MY CHILDREN GET FREE MEALS?

Contact **Rising Tide Charter Public School, 59 Armstrong Rd, Plymouth, MA 02360, (508) 747-2620, [rchapman@risingtide.org](mailto:rchapman@risingtide.org)**.

WILL THE INFORMATION I GIVE BE CHECKED?

IF I DON'T QUALIFY NOW, MAY I APPLY LATER?

WHAT IF MY INCOME IS NOT ALWAYS THE SAME?

List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT?

Household members may not receive some types of income we ask you to report on the application or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY?

Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

*The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not submit all needed information, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the primary wage earner or other adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs.*

*We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.*

# Sharing Information with Medicaid/CHIP

---

Dear Parent/Guardian:

If your children are qualified for free or reduced price school meals, they may also be able to get free or low-cost health insurance through Medicaid or the State Children's Health Insurance Program (CHIP). Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, *the law allows us to tell Medicaid and CHIP that your children are eligible for free or reduced price meals, unless you tell us not to.* Medicaid and CHIP only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced Price School Meals Application does not automatically enroll your children in health insurance.

If you do not want us to share your information with Medicaid or CHIP, fill out the form below and send in.

(Sending in this form will not change whether your children get free or reduced price meals).
