

RISING TIDE CHARTER PUBLIC SCHOOL

CELEBRATING 26 YEARS OF EXCELLENCE IN PUBLIC EDUCATION

2024-2025 High School Profile

SCHOOL OVERVIEW

Rising Tide Charter Public School is a college-preparatory public school serving grades 5-12. Founded as a middle school in 1998, Rising Tide expanded to include the upper grades in 2011. There are 20 towns in Rising Tide's designated region. Rising Tide is driven by its mission to provide a strong academic program that fosters the development of skills, opportunities for students to make connections to the Plymouth region, and a strong school community that cultivates within its students a sense of place and belonging.

PROGRAM UPDATES 2024-2025

Eligible Upper School students in Grade 11 and 12 will continue to be permitted to take a subset of Advanced-level courses via Dual Enrollment with Southern New Hampshire University. These courses are taught by Rising Tide faculty who have met SNHU's qualifications as adjunct professors. Dual Enrollment courses now include Literature, Composition, Philosophy, Biology, Statistics, History, and Spanish. All Dual Enrollment courses designated as most-rigorous-pathway courses and may be taken with or without receiving the SNHU credit. Students who opt into the SHNU credit will receive an additional separate SNHU transcript.

In partnership with Cape Cod Community College, Rising Tide Grade 11 and 12 students will continue to be able to participate in a two-year Aviation Maintenance Technology Pathways Program, leading to FAA certification and credits towards an aviation maintenance technology, aviation, or engineering degree. Students engage with a virtual platform as well as in-person labs at the aviation maintenance facility near Plymouth airport.

APPROACH TO TEACHING AND LEARNING

At Rising Tide, teachers use an inquiry- and skills-based approach to foster personal and academic growth in students. This encourages students to reflect, take responsibility, ask questions, and think critically. Through curriculum design and implementation, Rising Tide fosters the development of skills, the exploration of content knowledge, and the deepening of understanding. The curriculum at Rising Tide is aligned with the Massachusetts Curriculum Frameworks, and guided by the school's Mission, the four School-wide Objectives and Benchmark Skills, the Grade Level Guiding Questions, and Essential Questions within each discipline.

TRANSCRIPT NOTES

GPA is unweighted.

Students are not ranked.

Most-rigorous pathway courses are labeled "Advanced" on transcript and are usually only available to students in grade 11 & 12.

A grade of B+ or higher exceeds standard expectations.

All completed courses are included in GPA.

At Rising Tide, teachers have the flexibility and autonomy to design courses that are aligned with and go beyond the Massachusetts Curriculum Frameworks. Teachers are responsible for implementing our approach to teaching and learning and providing a rigorous program in which all students are held to high academic standards. As a result, we do not offer externally-designed curricula such as Advanced Placement.

SENIOR INTERNSHIP PROGRAM

The Senior Internship is a signature program for eligible seniors. Students apply during their junior year and accepted students are placed at sites according to their general interests. Interns spend three afternoons each week at their sites and participate in a weekly career readiness class at Rising Tide. Students receive one (1) credit. Rising Tide is grateful to partner with many local businesses, non-profit organizations, and professionals in the greater Plymouth area.
